

There are three exciting initiatives run by St. Michael's House that give you the opportunity for a rewarding and fulfilling experience.

### **Option 1: Host Family**

Host Family is a Family Based Respite Scheme whereby people in the community are recruited and trained to offer short breaks to children and adults who have a learning disability. There is no magic ingredient to become a Host Person or Host Family. All that is necessary is a commitment and the time to share with a person in your own home. Payment plus expenses covered.

### **Option 2: The Contract Family Short Break Scheme**

St. Michael's House is looking for people to work from home in the greater Dublin area. Must be available to offer 10 – 16 nights respite per month, to children and adults with greater needs. Experience in the area of learning disability is essential. Financial remuneration a minimum of E14, 000 per annum.

### **Option 3: The Contract Family Short Break Scheme-Nurses Required**

St. Michael's House is looking for 2 nurses to work from home in the greater Dublin area. Must be available to offer 10 – 16 nights respite per month, to children with medical needs. Financial remuneration a minimum of E20, 000 per annum.
